Designed For Longevity — Unsurpassed In Quality

Orlando The Beautiful is very different than most local print media. We put a high priority in design and unsurpassed quality. Our main objective is to have our readers hold onto each publication, referring to it over and over again as an up-to-date reference and information source, until they receive their next issue.

One of the ways we accomplish this is by including 4 directories in each of our publications. Our *Dining In Orlando* directory is a great source for local dining. Whether a reader is looking to place a take-out order via phone, make a reservation at a restaurant or simply trying to decide where to dine out at, our dining guide makes the process quick and easy.

Readers find our *Community Medical Directory* a great resource when fulfilling their medical needs. Each listing is categorized making it a simple process to find the right practitioner or medical facility. Our directories are further enhanced with display ads placed strategically in the publication, typically offering special discounts.

We also provide directories for *Government Offices* and *Important Contacts* for local utility services, schools, community and emergency services, and state and local government agencies. With our directories, contact pages and ads we provide over 200 bits of the most updated and current contact information and resources available to our readers. As a result, readers refer to our publications often!

We strive for excellence and take pride in each issue. For example, our covers are always extremely eye-catching with our focus to entice our readers to immediately open and review its pages. Being a digest size publication, readers can easily store their copy on their desktop, counter or in a drawer. But many readers tell us that because of our beautiful covers, they love to place them on their coffee table.

Each issue also contains several pages of graphically designed themed puzzles created by the publisher to entertain and amuse our readers — and to help ensure readership and interest.

We currently publish two editions, the Lake Nona & Moss Park Edition, and the Waterford Lakes Edition. Together, we have an estimated readership of 40,000 to 60,000 consumers!

Orlando The Beautiful is designed for longevity—whereas our readers hold onto each issue and refer to it often as they go about their daily lives. Our advertisers' ads are seen over and over again as our readers continually turn its pages over the course of time. And best of all, our advertising rates are among the lowest in the industry!

Ad Design and Type-Setting Fees

All advertising rates are based on being provided with copy-ready material. Additional fees apply if we design or type-set the ad. Our rates are shown below and are based on the size of the ad. Any logo, photos or graphics desired in the ad should be supplied by the advertiser, along with basic information to be included in the ad.

A logo can be designed for an additional fee which varies according to the complexity involved in the design. For more information on logo design see article on right.

If desired in ad, stock photos and images are available for purchase and prices are based on the size of the ad in which the images are to be used in. Larger ads typically require larger images, and our cost for stock photos and images are typically based on image resolution (ppi). The higher the resolution (allowing for bigger images) the higher the price for the image. Also note that finding the right image for an ad can be very time-consuming.

Advertiser will have the opportunity to approve the ad design and any photos or images used in creating it.

Regarding Our Front and Back Cover Ads

Because our Front and Back Cover not only reflects on the advertiser, but also on the overall quality of our publication, these ad spots are subject to availability and special terms and conditions. Interested parties should inquire about these spots well in advance.

Our Front Cover also includes a 2-page spread in our Centerfold. The front cover itself is subject to special design and must meet our high standards. We work with the advertiser to design a highly attractive cover to meet the needs of all concerns. For greater details about our front cover and pricing contact us at 407-275-6556.

Our Back Cover is also subject to special design to meet our high standards. This ad is priced well below what it would typically cost for any type of mailer. In fact, the cost is less than what the postage alone would be on mailing a standard postcard. And unlike a postcard which is typically trashed upon receipt, most readers of Orlando The Beautiful hold onto their copy for future reference until they receive their next issue. You are not only virtually guaranteed that your ad will be seen by every recipient of our publication, but it is likely to be seen over and over again. Inquire today about our back page.

In addition to ad design for merchants placing ads in Orlando The Beautiful, we can design ads for most any publication or media. Our rates are always competitive and our work guaranteed to meet your satisfaction.

We can also design a custom logo to be used exclusively for your business. Logos can be very simple to create, however, world class logos can be very complex and time-consuming. Therefore, our prices for logo design varies depending on the desires of the merchant.

As detailed on the back of this page, we offer a host of design and marketing services. In addition to graphic design and website development, we do copywriting, photography, video productions and direct mail.

Did You Know ...

Did you know that if you were to mail a postcard to 25,000 homes the postage alone — at a minimum — would cost you \$3,475. To get that low rate you would need to send it via Standard Mail, Enhanced Carrier Route, meet the density standards of Saturation and the eligibility requirements for walk-sequence and bundle preparation, have a bulk mail permit and bring the pieces directly to the local U.S.P.S. Destination Sectional Center Facility where the postcards are being delivered.

Now add to that \$3,475 the many hundreds of dollars for printing 25,000 postcards, the cost of a mailing list, labeling, design, preparation, delivery and bulk mail permit—plus all your time and effort.

If sent first class and the postcards were the size of our full page ad, the postage would cost a whopping \$11,000. And again, that's just postage!

Our low price of \$1,225 for a Full Page, Full Color Ad on high quality gloss paper in both of our Editions, delivered to 25,000 homes and businesses in YOUR local community, is truly an incredible bargain!
